SMART PEOPLE LOOKING BETTER

What is my identity? Who do I represent? What am I standing for? I'm the only one who know myself. I am what I create. I am what I do. And I do what I love. This is me. Golf is my passion. Golf gives me an opportunity to improve myself and become faster, stronger, smarter than I was yesterday.

While others wear jerseys only during the matches, while others wear their polo's only on the fairways I love to take my identity everywhere I go and still remain chic and good looking. This is me and my smart choice whether I'm on or off golf course. No matter what time or season of the year - I am who I am and I like it that way.

I'm part of a family that shares the same view on active life. We love to play golf. We take smart choices because we are smart people. And - SMART PEOPLE ARE LOOKING BETTER. ALWAYS.

WHO ARE WE?

We work for those who want to achieve better results.

We started as an international team of mental performance professionals with our Advanced Mental Coaching Program. Our clients are reaching outstanding results with our unique performance pocket guides as well as with individual coaching sessions. Its the most simple, intuitive and effective system of goals & actions. It was developed for improving the performance – in sports, learning & life by instant control of thoughts in challenging situations.

In 2017 we expanded our services by creating urban fashion collection for golfers with which we could express our golfing passion even off golf course. Our unique blue-print is an omnipresent identity of a person who loves golf. Anytime & anywhere. In a short period of time we managed to attract customers from across the globe.

Pro-shops, online golf stores & boutiques have also the opportunity to enlarge their portfolio with our products.

We proudly proclaim that all our products (including almost all components from which are made) are manufactured inside of European Union (Not-Made in China). We aim to use local resources as much as possible.

We have been featured in the most respected journals in the golfing industry. Golf Channel and Golf Revue, the golf and lifestyle magazine. Our activities and products were positively reviewed and welcomed.

Our customers can be sure that we are a healthy company which uses components that are provided by local contractors. Your purchase primarily supports a person with residential business rather than an international corporation.

WHAT OFFERS THIS CATALOG?

We create books and apparel for smart people who want to achieve better results in **sport, learning & life**. **1st part** of this catalog includes the collection of **ON and OFF golf course clothing**. In **2nd part** you can discover our latest **books for improving the mental game**.

We offer a unique concept of customizable ready-to-wear **clothing that golfers wear either on the golf course or elsewhere**. It enables to show passion for this noble sport all the time, whether we're shopping in the city, taking walks on the beach or going out to meet our friends. Golfing identity is clearly visible and yet it remains casual.

Our products are handcrafted & exclusively MANUFACTURED IN EUROPE / SLOVAKIA.

To make the ordering process easier this catalog is divided into 2 sections. **1st section** shows our **blank clothing models**. **2nd section** shows **examples of the designs**. Due to the large number of combinations of the designs versus clothing there are shown several examples only. Some of them are displayed separately and some of them on actual clothing. **Completing your order takes from 1 day to 2 weeks** (depending on the volume of items). **The pricing level** next to the actual type of clothing tells **the final price (clothing + design - the whole product)**.

CHOOSE THE CLOTHING MODELS AND COMBINE THEM WITH THE DESIGNS (1 CLOTHING + 1 DESIGN) AND WE'LL CREATE YOUR OWN COLLECTION. IT IS POSSIBLE TO ORDER ALMOST EVERY CLOTHING, DESIGN OR COLOR COMBINATION BASED ON YOUR PERSONAL PREFERENCES AND IN ANY DESIRABLE AMOUNT.

BRANDED PRODUCTS - MARIOBEKY™

The branded clothing - MARIOBEKY™. Instead of DON (Design's ordering number) choose a specification code "MARIOBEKY" in the order. Branded apparel is priced with CAUSAL pricing level.

All content including text, photos and symbols is under copyright protection and cannot be copied, interpreted or modified without agreement of their respectful owners. The product images in this catalog may slightly differ from actual products.

3 Our **UNIQUE DESIGNS** come in 2 trims - **CAUSAL** and **PREMIUM**. Both of them are manufactured from superior materials. CAUSAL designs are made out of flex vinyl (**white or black**), PREMIUM designs are made out of special vinyls - flock (**black**) and glitter (**silver or gold**).

4 Under the image of design (or apparel) is a **DON (design's ordering number)** by which the items can be ordered. "**M**" indicator tells that this design is available for men (men, kids, unisex) clothing, e.g. M - 0034. "**F**" indicator for women's apparel, e.g. F - 0187.
